COUNT ON US TO PROTECT YOUR INVESTMENT

S5 has been proven to be an extremely capable and experienced 3PL company.

WE'RE ALL ABOUT CUSTOM SOLUTIONS

S5 Storage is your flexible top choice for public warehousing. When your warehousing needs vary throughout your business cycle, we offer a range of value-added solutions and services that accommodate your ever-evolving inventory and logistic needs. We own and operate more than 250,000 square feet of secure and temperature-controlled public warehousing space and two

convenient locations. Strategic warehousing locations with truck access provide advantageous connections to shipping centers throughout the metro area and Midwest.

We offer a full suite of 3PL solutions as an experienced one-stop storage leader that covers all your supply chain management functions in a professional manner. From warehouse space to local hauling and freight consolidation, S5 Storage is ready to accommodate your business needs.
